Town Clerk Report

- The taxes went back to the Washington County Treasurer on Monday, April 7th
Total taxes collected \$1,922,485.24.
Unpaid taxes that went back to county \$260,436.41.
- Sold many fishing licenses.
- Working on getting quotes for copier options, in the meantime the Assessor and the Highway Supt. have taped the copier door to kick the sensor.

Highway Report

Highway Superintendent Jim Buckley reported:

- Hoping to be done plowing snow. They had to plow twice last week.
- Almost done sweeping roads. Charlie has come back to help sweep.
- They have done some grading and ditching and the boom arm mower has been busy several days.
- The equipment has come for the new truck and the truck has gone to get it installed.
- The paving is scheduled to start on Monday, April 21st. Palette Joint Galusha will be doing the paving this year.
- Washington County has accepted a salt bid from Atlantic Salt. Jim Buckley Jr. Highway Superintendent thinks the Town should go with this bid. There is a substantial price increase but we will not know until September if the OGS bid will have the same increase. If OGS follows the same rules as last year American Rock Salt will most likely get the bid again and we will end up with the same problems as this past winter. Jim had samples of American Rock Salt and Atlantic at the meeting.
- It was decided that it would be in the best interest of the Town to piggy back off the county bid.
